THE BRADBURY CO., INC.

## Customer Service

We are committed to providing reliable, knowledgeable customer service through our technical service departments. We utilize the latest technology in remote diagnostics to ensure our customers are supported quickly, minimizing downtime. We have a 24-hour / 365-day service hotline to assist customers when required.

## Training

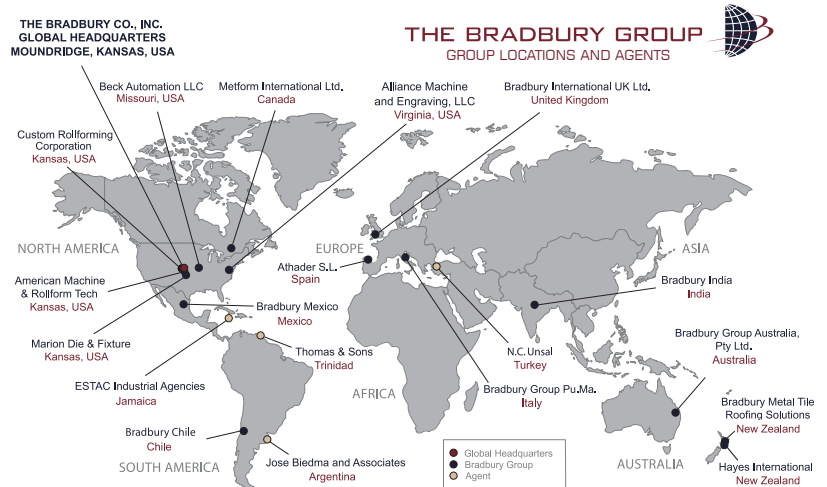

Bradbury technicians can train equipment operators on new or previously owned Bradbury Group equipment.

- Maintenance Education
- Machine Calibrations and Inspections
- Spare Parts Inventory Review
- Roll Tooling Training
- Custom Tailored Service Agreements

## Growth

Through acquisitions and partnerships, The Bradbury Co., Inc. has evolved into The Bradbury Group, a global family of manufacturing companies dedicated to producing industry-leading metal processing equipment that provides decades of real-world operation.

The Bradbury facility in Moundridge, KS, serves as the world headquarters for The Bradbury Group. Collectively, we have approximately 700 employees around the world.
