Curriculum and More

Organised and manageable for any STEM teacher!

Storage for VEX Coders, Coder Cards, and a charging station for VEX 123 robots - organisation that makes it easier than ever for students and teachers to keep track of their kits. Classroom Bundle bags make storage or traveling simple.

Curriculum Linked Resources

All curricular resources are aligned to educational standards. From STEM Lab Units, your online teacher's manual, to Activities designed for independent student use – we offer the support you need to teach with confidence.

Free Curriculum Included

Lessons cover a range of subject areas, making cross-curricular STEM and coding connections easy and fun! Bring your STEM or Computing curriculum to life or integrate into core subjects like numeracy and literacy - our curriculum takes the guesswork out of implementation.
